Thanks to Mario for letting OPDX readers know about the bogus report.

**ZL1AMO UPDATE:** Judy, AA7UC, reports this week: "As we enter the year 2003, Terri Wright informs us that her dad, Ron, ZL1AMO, has been moved to Waitakere Hospital. This hospital is closer to home which makes it easier for Jeanette and the family to visit Ron. I reiterated to Terri that Ron's friends are anxious to hear from him and I asked her if he would be up to writing a few words for the medical update. She said that at this point in his rehabilitation he still lacks the strength. It remains an effort for him to get to the toilet and shower -- he shuffles very slowly. He also remains on oxygen; however, his condition has improved so we continue to hope and pray."

**ZONE 2.** Operators Gerald/VE2ACP, Steve/VE2TKH and Gervais/VE2UE will activate Zone 2 in **Lac Julianne** (near Wabush), **Labrador, January 14-17th**.
